Roadside Assistance

24/7 confidence
when you need it most.

Hanover has partnered with a leading provider of Emergency Roadside assistance with a network of over 35,000 Service providers in the Continental U.S. and Canada.

WHAT DOES THAT MEAN TO YOU?

It means when you use The Hanover's Roadside Assistance, we'll get your disabled vehicle to the nearest repair

facility and you won't pay a dime for the towing (if the towing costs more than \$150, we'll reimburse you for the difference). On the other hand, if you prefer a specific location you can opt to have your vehicle towed to the location of your choice—and we'll pay up to \$150 of the towing bill. It's up to you.

Roadside Assistance

Good natured as most people are, you can't always count on the kindness of strangers to help you if your car is disabled away from home. But you absolutely can count on The Hanover's Roadside Assistance Coverage.

Add Roadside Assistance on your Hanover Platinum or Connections® Auto policy and, should you have a problem, we'll provide you with towing and other valuable emergency roadside services to get you on the road to repair—or back on the road, period.
