

MYTRAVELERS® ONLINE RISK CONTROL TOOLS AND RESOURCES

Manage your organization's unique risks from any device with *MyTravelers*®, a secure site for business insurance customers that provides access to more than 1,000 risk control tools and resources. View featured resources for your industry on the *MyTravelers* homepage or select the **Risk Control** tab to view and search our full collection of tools and resources.

Tools and Resources

- **Industry-focused safety resources.** Our site aligns with your interests based on the industry you select when you register. As you navigate and search the site, resources are prioritized to reflect your industry choice.
- **Tools to manage risks.** Our resource collection is designed to help you identify, understand and manage risks. Key resources include:
 - Risk management guides, sample programs, safety checklists and self-assessments.
 - Travelers correspondence archive to help you easily reference past consultations, recommendations and links to safety resources.
 - *ZoneCheck*®, a tool to help construction companies and contractors evaluate potential equipment-generated ground vibrations risks.
 - Our Fire Protection Impairments Tool designed for our property insurance customers to record and monitor planned and unplanned sprinkler system interruptions.
- **Six risk libraries.** Navigate our site for resources on key topics, including:
 - Workplace Safety and Health
 - Driver and Fleet Safety

- Buildings and Equipment
- Product and General Liability
- Cyber Security
- Business Continuity

- **Safety alliances** that offer customers products, services and training at special rates.

Risk Control Training

Travelers offers a variety of safety training topics designed to help meet the diverse safety training needs of our customers:

- **Online training** programs can be streamed directly from our website, or you can share a link to the training with your employees. To supplement your ongoing safety training efforts, we also offer additional training resources outside Travelers, including complimentary streaming videos and online training courses at special rates.
- **Virtual Safety Academy classes** taught by technical specialists and designed for supervisors, safety professionals or risk managers.
- **Webinar recordings.** Access our extensive collection of webinar replays on a variety of topics.

Travelers Industrial Hygiene Laboratory

Our specialized industrial hygiene (IH) consulting, training and laboratory services can help you assess employee occupational health exposures to help prevent and reduce occupational illnesses, control loss costs and save lives. Access instructional videos, free equipment loan programs, education and training, air sampling guidelines and more to help you identify and address chemical and physical agents related to occupational health risks.

Accessing MyTravelers

Customers: To access MyTravelers, go to travelers.com. If you already have a user ID and password, use the login feature. If you do not have a user ID and password, use the business insurance customer registration [link](#) to create an account using your policy number and associated zip code.

Agents: To access our *MyTravelers* risk control resources, go to the Travelers [For Agents](#) website. Once you have logged in, select the Claim & Risk Control tab and click on the “Visit Our Risk Control Customer Portal” link. For registration help, contact 800.842.2522.
